## + Insecticides

### Aqua-K-Othrine® Space Spray

Aqua-K-Othrine kills mosquitoes, flies, cockroaches, spiders and stored product pests. Aqua-K-Othrine contains synthetic pyrethroid (2% deltamethrin) in a unique EW formulation. Primarily based on water with built-in FFAST anti-evaporant technology.

**Active Ingredients:** 20g/L Deltamethrin,  
250g/L Hydrocarbon Liquid

**Pack Size:** 1L

### Cislin® 25

Cislin 25 Professional Insecticide is a premium quality Deltamethrin suspension concentrate. Cislin 25 controls general insect pests in a wide range of situations.

**Active Ingredient:** 25g/L Deltamethrin

**Pack Size:** 1L & 5L

### Coopex® Dusting Powder

Coopex Dusting Powder is a ready-to-use broad spectrum insecticide with a unique formulation. It controls a wide range of insect pests in a wide range of situations including cockroaches, silverfish, ants, fleas, carpet beetles, bedbugs, spiders, bird mites, hide beetles, European wasps, Potato moth and subterranean termites in trees and stumps.

**Active Ingredient:** 10g/kg Permethrin 25:75

**Pack Size:** 10kg

### Coopex® Residual Insecticide

Coopex Residual Insecticide is a wettable powder that creates a residual surface spray, for the control of general insect pests. Controls a wide range of insect pests both indoors and outside. Sustained residual activity providing up to 4 month's protection.

**Active Ingredient:** 250g/kg Permethrin 25:75

**Pack Size:** 20 x 25g

### Ficam® W

Ficam W Insecticide is a residual broad spectrum spray for control of a wide range of insect pests in domestic, industrial, commercial and public service buildings.

**Active Ingredient:** 800g/kg Bendiocarb

**Pack Size:** 150g

### K-Obiol® EC Combi

K-Obiol EC Combi is a synergised grain protectant for use on stored cereal grains including malting barley and sorghum. K-Obiol may only be used if you have done training in its use and are an Approved User.

**Active Ingredients:** 50g/L Deltamethrin,  
400g/L Piperonyl Butoxide

**Pack Size:** 5L & 10L

### Perigen® Defence

Perigen Defence is a residual insecticide suitable for use in the protection of various materials and in various situations against the effects of insect damage.

**Active Ingredients:** 500g/L Permethrin 25:75,  
342g/L Hydrocarbon Liquid

**Pack Size:** 1L

### Starycide®

Starycide Insect Growth Regulator for the control of silverfish, immature fleas and cockroaches in indoor and outdoor situations; and for the control of mosquitoes.

**Active Ingredient:** 48g/L Triflumuron

**Pack Size:** 1L

### Suspend® Flexx

Suspend Flexx is a new, innovative general insecticide from Envu containing leading-edge patented Partix™ Formulation Technology. Scientifically-proven to maximise the active ingredient, this world-first technology allows the active (Deltamethrin) to be more readily available on surfaces and enhances the efficacy and residual effectiveness.

**Active Ingredient:** 25g/L Deltamethrin

**Pack Size:** 3L

### Temprid® 75

Temprid 75 is a general insecticide that will control most insect pests; combining two powerful and effective residual insecticides: Beta-cyfluthrin and Imidacloprid to deliver greater control.

**Active Ingredients:** 25g/L Beta-cyfluthrin,  
50g/L Imidacloprid

**Pack Size:** 1L & 5L

## + Gel & Liquid Baits

### Antmaster

Antmaster Liquid Bait is a highly effective bait for the control of various species of pest ants that infest indoors and outdoors. All worker ants are liquid feeders and most of the commonly found indoor infesting ants have a preference for sugary food types.

**Active Ingredient:** 0.05g/L Imidacloprid

**Pack Size:** 125mL

### Maxforce® Activ

Envu has created this product from the ground up. Trials show that gel placements remain palatable for at least 12 months. Incorporating the patented blue bead feeding stimulant technology to ensure Total Life Cycle control (TLC). Maxforce Activ is recommended for maintenance jobs.

**Active Ingredient:** 10g/kg Clothianidin

**Pack Size:** 3 x 30g with plunger

### Maxforce® Fusion

Maxforce Fusion is the next generation gel against cockroaches large and small. Maxforce Fusion will kill cockroaches including nymphs, for Total Life Cycle control (TLC).

**Active Ingredient:** 21.5g/kg Imidacloprid

**Pack Size:** 30g

### Maxforce® Gold

Maxforce Gold is from the first generation of gels where our formulation scientists and biologists tailor-made a bait matrix specifically to cater for a balanced range of cockroach dietary preferences. Maxforce Gold is recommended for clean-out jobs.

**Active Ingredient:** 0.3g/kg Fipronil

**Pack Size:** 35g

### Maxforce® Quantum

Maxforce Quantum is a viscous liquid ant bait made of 99.9% naturally derived ingredients. For the control of ants in and around the home.

**Active Ingredient:** 0.3g/L Imidacloprid

**Pack Size:** 120g

## + Rodenticides

### Rodilon® Pro

Rodilon Pro for use to eradicate rats and mice. Offers unrivalled efficacy against rats and mice.

**Active Ingredient:** 0.025 g/kg Difethialone

**Pack Size:** 5kg

## + Termite Management

### Kordon® Termite System

Kordon is a flexible building protection tool providing a combined physical and uniquely repellent termite barrier. This robust material can easily be moulded or cut and joined to fit complex design features. It offers a complete under slab treatment for termite and moisture membrane protection.

**Active Ingredient:** 4g/kg Deltamethrin

**Pack Size:** Available in custom sizes

### Premise® 200 SC Termiticide

Premise 200 SC Termiticide is a soil-applied liquid termiticide providing long-term protection of your home. Use Premise to eradicate termites.

**Active Ingredient:** 200g/L Imidacloprid

**Pack Size:** 3L

Envu is a new vision for a company built not from the ground up but on top of the towering foundations laid by Bayer Environmental Science. Our legacy products are at the core of our new identity and will remain central to all the innovations we will create moving forward. So what does this mean?

A decades-long history of environmental excellence is alive and well at Envu. We've brought along all the great products you depend on as well as the visionary people you trust. And Envu is more than just a product provider. We're a partner that will work right alongside you to push your business forward.
