

The best guarantee you will never need

The Esplanade Performance Guarantee incorporates the use of Esplanade Herbicide with best management practices to achieve commercially acceptable control of labelled weeds for up to six months after application for the areas treated with Esplanade.

If performance is a concern and commercially acceptable control is not achieved, Envu will provide 100% of the Esplanade product on retreatment areas if needed.

How to participate*:

- Purchase Esplanade Herbicide from an approved agent
- Register on-line at bit.ly/3AYroqj or scan QR code
- If the product doesn't perform to label claims, we'll replace it in accordance with terms and conditions of the program.
