News Release

Envu Appoints Phil Logan as National Key Account Manager, IVM

Melbourne, Australia, 13 April, 2026 – Envu, an environmental science company providing forward thinking innovations that protect and enhance the health of environments around the world, is pleased to announce the appointment of Phil Logan as the company's new **National Key Account Manager - IVM**, effective 7 April 2026, based in Melbourne, Australia.

With over 20 years of experience across turf, ornamental and vegetation management, Phil is a first-class graduate in Turfgrass Science who began his career as a greenkeeper at leading venues including St Andrews Links and Wentworth. He later moved into research with STRI in the UK, focusing on the development and evaluation of new chemistry.

Phil has since held both technical and commercial roles with leading industry organisations, developing a broad skillset across product development, market delivery and customer engagement. Most recently, he managed key accounts across the UK and Europe for Envu, leading the launch of both turf and vegetation management solutions, while developing strategic distributor partnerships.

Commenting on his appointment, Phil Logan said, "*I'm looking forward to building strong partnerships across the infrastructure and vegetation management sectors in Australia. There is a clear opportunity to deliver more effective, sustainable and practical solutions that support long-term performance on the ground*."

Envu's Craig Burleigh, National Sales Manager ANZ, says, *"I'm really pleased to have Phil on board. His combination of deep technical expertise and strong commercial experience will be invaluable as we continue to strengthen our partnerships across the infrastructure and vegetation management sectors in Australia, supporting more effective and sustainable approaches to weed control."*

Phil will report to **Craig Burleigh, National Sales Manager ANZ - Turf, Ornamental & IVM,** and can be contacted at philip.logan@envu.com and on +61 402 777 664.
