

Major protection from major pests

Experience one complete solution for white grubs, fall armyworm and other insect pests.

Whether it's a backyard or the back nine, Tetrino[®] insecticide is your go-to solution for controlling a wide range of turf-damaging insects, including white grubs, fall armyworm and more. With flexible application timing, fast-acting efficacy and affordability, it's the complete package in one complete solution.

Buy a minimum of 8 bottles by July 31st, and receive a \$25 rebate per bottle.*

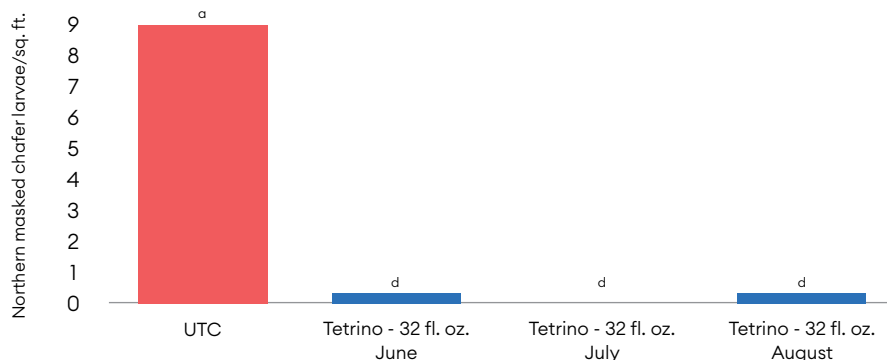

Cost per acre with rebate: \$59.13 at 16 oz./A and \$118.25 at 32 oz./A.

Season-Long White Grub Control

Tetrino provides season-long control of ALL major white grub species. Apply a single application of Tetrino 32 oz./A between mid-June and mid-August.

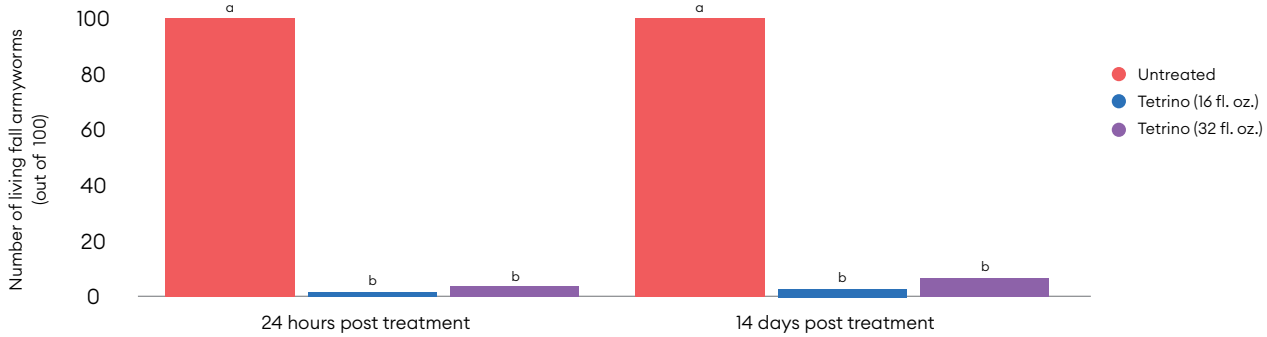

Flexibility in Application Timing for White Grub Control

Steve McDonald, Turf Disease Solutions, northern masked chafer control in Kentucky bluegrass. Date of assessment: September 22 via destructive sampling and counts.

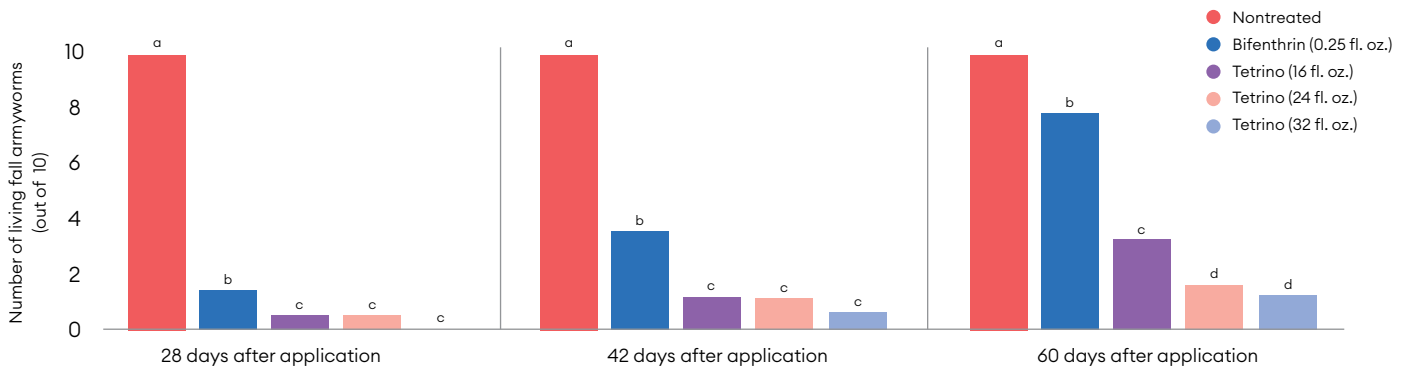

Fall armyworm (rapid knockdown)

Tetrino® offers outstanding control of damaging caterpillar pests, including fall armyworm, sod webworm and black cutworm.

Trial conducted in 2021 by Dr. Brandenburg, NC State. Trial included 10 replications of each treatment in the trial area. 10 caterpillars were randomly selected, and the number of living fall armyworms were assessed.

Residual control of fall armyworms

Trial conducted in 2022 by Dr. Brandenburg, NC State. Trial included 10 replications of each treatment in the trial area. 10 caterpillars were randomly selected, and the number of living fall armyworms were assessed. Pooled across two locations.
